Recertification due: **19 December 2019**

*Certification Body:*

*Accreditation Body:*

*This Certificate certifies that the organisation named was assessed as meeting the Cyber Essentials implementation profile released February 2017 and thus that, at the time of testing, the organisation's ICT defences were assessed as satisfactory against commodity based cyber attack. However, this Certificate does not in any way guarantee that the organisation's defences will remain satisfactory against cyber attack.*
